

THINK

Aqualess Ultra Process Ink Series

Beauty Without Water

Beautiful color and reproduction detail so real you think you're in the picture. Aqualess Ultra is our high quality waterless sheetfed series. It delivers ultrahigh dot fidelity, a high-gloss finish and ultrafast drying without water. So if incredible detail is what you need, get in the picture.

Product Overview

Aqualess Ultra Process Series is available in medium and low tack for a variety of paper stocks. It can be used on both conventional and digital printing presses. We also offer a complementary line of Pantone® bases and blend colors in waterless formulation.
